- ✓ Intelligent 2D™ imaging technology
- ✓ Clarity HD™ high-resolution imaging
- ✓ Affirm® Prone Biopsy compatibility

Our Customer Feedback

PT

Paulette T.
Director of Imaging

We purchased two systems from Mammo.com and had an amazing experience. The systems we purchased were significantly cheaper than other quotes we received. We love Mammo.com and their team and would recommend them to anyone.

NW

Dr. Nathan W.
MD

Our Siemens system stopped working and we weren't able to find parts for it. We were down for over a week. Mammo.com was able to deliver a Hologic Selenia and get us back and running quickly. Thank you Mammo.com!

TG

Travis G.
Physicist

Michael and his team have installed many Hologic systems here in Florida and all of them have passed Physics. They are very easy to work with and provide a great service.

MH

Michael H.
Radiologist

Mammo.com upgraded our center from the Hologic Selenia to the Hologic Dimensions 3D, we love the system and their support is fantastic.
